Vice Admiral E. T. Wooldridge, USN
 Commandant, The National War College
 Washington 25, D. C.

Dear Admiral Wooldridge:

I am very happy to learn that provision has again been made for three representatives of this Agency to participate in the next course of instruction at the National War College commencing in August 1957.

The three individuals selected to represent the Agency in the August class are:

GS-15
 GS-15
 GS-15

These three have been selected from a group of approximately eight of the best qualified men in the Agency. Each meets the criteria which you have established and is cleared to receive Top Secret information. Action will be undertaken to provide them with a "Q" clearance prior to the reporting date of the class.

The cordial relations which have existed between the National War College and this Agency are a source of gratification to me, and I am very happy that this association will be continued to our mutual advantage.

Sincerely,
